RPPS - ACHIEVING EXCELLENCE TOGETHER

OM DAYAL GROUP

The Catalyst of Change

In 2003, under the aegis of the DPS Society, the Om Dayal Group opened the gates of DPS Ruby Park, the most preferred CBSE School in Kolkata, with a vision of raising the benchmark of the standard of education in West Bengal. The inauguration of DPS Durgapur in 2011 was yet another significant step taken towards achieving the same. Another landmark of the Om Dayal Group is 'OM DAYAL GROUP OF INSTITUTIONS - ENGINEERING AND ARCHITECTURE COLLEGE.'

Ruby Park Public School started its journey in 2019 and has already made its mark as one of the best equipped schools in Kolkata, with an infrastructure that few schools can boast of.

WINNING IS A HABIT

Best Started Early

Ruby Park Public School has formulated a pedagogy that embraces the best teaching and learning philosophies with the finest Indian traditions, thus assuring a comprehensive educational package.

In the foreseeable future, a promising start always benefits. We acknowledge the importance of providing a nurturing atmosphere for the development of the conscience, creativity and self-expression of the children. Their receptive minds take in practically everything they are shown. At the pre-primary level, our team of highly qualified, sincere and caring teachers endeavour to groom the little ones with love and care. Our activity based curriculum facilitates the instillation of values in our learners from the onset of their educational journey.

EXPANDING THE HORIZONS OF EDUCATION:

The facilitators at Ruby Park Public School work in various directions so that each student is guided for choosing a right career path. Under the prudent guidance of CBSE, this school believes in expanding the horizons of each stream. RPPS makes sure that the academic progress is strongly linked with the growing opportunities in the outside world.

MAKER OF FUTURE LEADERS:

Ruby Park Public School has a team of highly qualified and experienced teachers to guide and motivate the students. We have a very good student teacher ratio so that individual care and attention can be given to each student. Our faculty is focused on having a student centric approach and they guide the students toward a promising career.

AN INFRASTRUCTURE That Guarantees a Successful Future

Ruby Park Public School's majestic grandeur is a remarkable illustration of new age planning. The campus with modern amenities such as a large play space, a covered all-weather swimming pool and spacious modern classrooms, provide a joyous environment beneficial to the progress of the children. Our professional and competent educators are focused on ensuring that every moment is remarkable.

We strive to make every moment spent at the school enjoyable and memorable!

ACADEMICS is The Key

Coping with the times

ONLINE CLASSES

Despite the fact that the Covid-19 pandemic brought the world to a halt, we continued to educate and empower the young brains. We held full-time classes and assessments via our vast online sessions, in which teachers were extensively involved in ensuring that the students' education remained uninterrupted. We provided the best online teaching resources to our instructors so that the classes could be more interactive and could run the institution smoothly during the pandemic. Aids and resources were effortlessly converted to online platforms, with additional administrative support in place to manage class flow.

While we effectively adjusted to the changing times, we rewarded the sincere efforts of the students to motivate them to be competitive and agile in the technological space. Student friendly apps are extensively used to make teaching - learning better.

Blending technology with technique

I-PAD AND COMPUTER LAB

At Ruby Park Public School, a child's technological growth begins in Nursery, when technology is blended with technique through computerized instruction in the school's well-constructed I-pad Lab and Computer Lab. In the words of Bill Gates, "The teacher is most crucial in terms of getting the kids working together and inspiring them". Students at Ruby Park Public School are given opportunities to enhance their skills.

Futuristic Support to Learning

A supportive and comfortable learning environment has always been a catalyst for empowering the process of learning. The physical and digital infrastructure of our school targets an improvised teaching and learning process.

EXHIBITIONS & AUDIO-VISUAL ROOMS

Various co-curricular activities, special assemblies, audio-visual classes, workshops for teachers and students, career counselling sessions, exhibitions and inter-house activities are conducted in the audio-visual rooms. In fact, the air-conditioned audio-visual rooms are an integral part of the school.
